Dear General Rivers,
It seems almost
wrong to trouble you
with a question
at this cold time
of year, which
wd bring you
away, but the
Prize giving of
School of Art here

will be settled for
one Spring in Jan^y.
When it suits
any one to give
an address to the
Students on that
occasion - & as I
know how you
wd^d it; you wd^d ^{mind}
any address thus
much? - we will
take every care
of you, & wd^d you ^{come}
be very glad ^{to us}.

& see Mrs Rivers
too -

Yours truly
Henrietta Hays

You can name
the day, or give
a choice of any
of committee
(of which I am a member)
as you are able -
Jan^y 10 - wd^d not
