LEE HURST,
SALISBURY.

7 Jan 1888.

Dear Sir

Thank you very
much for so kindly
consenting to give a
lecture at the Museum
some time.

It would have been
very pleasant if you could
have seen your way to

take one of the revenues in
the present course as the
members of the Committee
are very anxious to make
this entirely successful,
& it will depend upon the
amount of public support
given this winter whether
they will feel justified in
repeating the scheme next
winter. However we

must not trespass on
your kindness, though
if on reconsideration you
felt that you could help
us in the present session
which ends in April next
we shall be very glad.

Believe me Dear Sir
Yours faithfully
Edward F. Pye Smith.
