CHURCH VICARAGE,
WILTS.

Dear General Pitt Rivers

The old chapel in the
manor house at Woodlands
in this Parish is in danger
of being destroyed unless
some immediate steps are
taken

The property belongs to
Mr. Parker of Wintonley
Wigan
a surveyor was sent round
round to report on
the repairs required

on her property in various
places — Here he reported
that the old mullioned
windows of the chapel
should be taken out
& replaced by new common
windows that the roof should
be renewed — etc etc —

The order has been given
for the work to be
executed but I am
hoping to see the Agent
before it is commenced —

Yours truly
Edwin J. Myld
