To
Mr. J. Spencer

Sir

The old book in your
possession was given
to me by an officers
servant about twenty
years ago the mans
name was Walker
and he gave me
the name of his
master at the time
but I cannot think

of it - Now, I think
I told you when
I was engaged w
the Army & Navy Store
Major Bruce, made
me an offer for it
but at that time
I had some idea
of getting it - Published

Dear yours truly
