Dear Pitt-Rivers

Mr Maudslayi reads a  
paper at the Geographical  
Society on Monday on his  
most remarkable explorations  
in Yucatan and Guatemala  
I expect that he will dine  
with me at the Geogr. Club  
(Willis' rooms). but have  
not got his reply. Will you  
do

do me the pleasure of dining  
with me there also, before  
the meeting, and attend it?

Dinner at 6½ sharp. The meet-  
-ing is at 8½.

Faithfully yours

J. H. Brown

I wrote to you some weeks  
ago. Did you receive my
