I take the liberty of writing  
to you to ask if you will  
kindly favour me with  
any information respecting  
the trench that exists to  
the west of Parliament Hill  
It is close to the foot of the  
hill and runs northwards  
for a hundred yards or so  
I have referred to Professor

States papers on Parliament  
Bill but no reference is made  
to this French, any information  
will be esteemed a favour

Yours faithfully
