Dear Gen. Pitt Rivers

Not having been here
for a few days since the end of
last week I have received your
two kind letters within 12 hours
of each other. I am very sorry
that public engagements on
Thursday Friday Monday Tuesday
will make it quite impossible
for me to get away at this
time. This I must regret them
ordnary as I was very anxious

to look over the skulls ^{specimens which} you found
last year. I also had a good
deal to talk to Dr. Redden about
the new Edition of Notes & Queries
& that I am exceedingly sorry
that I am unable to avail
myself of your kind invitation
I am writing to Dr. Redden to tell
him that I am unable to meet
him.

I am very glad to learn that
you are to be President of
Section H. at the Bath meeting
of the Assoc., which I hope
to be at and have been
nominated & Secretary of Section H.

My remarks in connection with
your paper were not published
as I hope to bring before the
Institute a paper on the skulls
which I will work up from
the measurements in your published
work.

With kind regards & thanks for your
kind invitation

Believe me
Yours very truly
J. G. Garson
