Dear General Pitt Rivers,

Do you not think it is time that we had a meeting of the organising Committee of Soc. H. (B.A.)? I have four or five papers already promised, all of which are I think substantial & will be of interest.

I will call a meeting for any day & hour convenient to you, we generally consider 4.30 or 5 o'clock

the best time, but I dare say any other time would do equally well.

The papers I have are

Marriage Customs of the new Britain Group.

By Rev. B. Danke.

A method of investigating the development of institutions, as applied to Laws of Marriage and Descent.

By Dr. E. B. Tylor.

The Hyksos.

By Rev. H. G. Tomkins.

Wortlebury(?) Camp.

By Rev. H. G. Tomkins.

By A. W. Howitt.

The Ancient Inhabitants of the Canary Islands

By J. Harris Stone, M.A.

we shall also have Reports from
the American Indian Com^{tee}
& the Occupations Com^{tee}.

Yours very sincerely

Geo. W. Brown
