Ser

Hindon,

Decr 16th 1882

I have the honour to
reply to Letter received
this morning respecting
a missing Letter from
Rushmore containing 3
Tulle Veils, I did not in
my search at J. Harts
House find any such
Letter or Articles named

if such was detained
by Hart he would spare
to have destroyed the
Letter? I also beg to ask
if any reply has been sent
by Lancaster the Gunmaker
to your application for
someone to be sent to
Hindon Petty Sessions on
Wednesday next?

I Am Sir Yours

Obediently

H. Bull, Sept. 3

General Pitt Rivers
