Dear General Pitt Rivers,

I have resolved to
take pupils again for

the Army, in consequence
of the bad state land has
fallen into and of the
difficulty & expense of
getting much sent, some
or later from what I have.
May I ask you to
mention my name if
you have an opportunity.
I should, if possible, like

to take two young fellows
who want to prepare
for the preliminary or
the Militia qualifying
examination. I find
I have not become rusty
since I passed my pipes
by into Sandhurst last
year the first trial.
I was fortunate, with the
assistance of my old
