Dear Sir

I thank you very
much for your letter.
As Spelman gives
Lama, or Lam, as
piscina, which is either
a fish pond, or a
pond for cattle to
drink from - might
it not be the "Boundary
Pond?" He calls

Lama a Lombard
word - from Lam
wh. he does not define -

It would indeed
be a great pleasure
to me some day
to ride over to
Rushmore & take
the opportunity of

seeing your excavations
wh. I have heard so
much of.

Believe me

Yours obliged
John Acton
