55 High St.
Wandsworth
S.W.
Sept 18/8

It includes, a Thame
series Palaeolithic & Neolithic
arrow hd. knives scraper
as well as layers shrap
Horn Hammers, Axes etc &
a unique "hammer" - a
Palaeolithic series from this
place also of my own
finding, containing specimens
like Canon Greenwells High
Lodge "side scraper"; &
Le Mousher "choppers" I
have also a general
collection, but these,
of course are not

Sir
I have a collection
of Stone & Bone implements
which I should be
pleased to show you
when in town, as I
know you are interested
in any thing Pre-historic

interesting.

Hoping to have the pleasure of
a visit any Thursday or Friday

I remain

Yours sincerely
