Dear General Pitt Rivers,

33, HOLYWELL,

OXFORD.

You were good enough  
to say last year that  
you would like a copy  
of my husband's article  
which I enclose. I have  
been a long time in

sending it but I have  
only just lately come  
across it, the pamphlets  
having been mislaid till  
now.

With our united kind regards  
to yourself & Mr. Pitt Rivers  
believe me  
yours sincerely  
Margaret Evans
