Launceston Blandford.

Oct. 22<sup>nd</sup> 1888.

Sir,

Your manager, Mr. Campbell came last week and saw my Longhorn cattle. as he said you wished to procure some of the breed -

I offered him - a bull 25 guineas - 2 cows - 20 guineas each - and six weanlings at 8 guineas ea.

I told him I had also four two year old

keepers out at keep - which  
are now home.

All the above are  
the pure. old fashioned  
breed which were so  
fashionable about 100  
years ago. - mine are  
all descended from the  
celebrated herd of the late  
Sir. John Harpur Crewe  
Calke abbey - Derby.

If you feel disposed  
to see the herd. I should  
be pleased to show you

them any day two weeks  
that you may name.

Yours very faithfully.

W. Watts.

P.S. I did not mention the  
price of the 2yr. old heifers -  
I want £16. ea. for them.
