

(L576)

Tollard Royal Rectory,

Salisbury.

Nov. 5/88

Dear General Rivers

I saw your keepers
in Blandford on Saturday
& they could not remember
shooting the - however when
my man Henry Whitcomb
convinced them, they at last
appeared satisfied - I
had too vivid a
recollection, as a quantity
of shot fell at my feet
on the 7th occasion -
Yours truly
Geo. Waterfall
