Dear Sir,

I have to acknowledge your letter of
5th received yesterday. I am at a loss to understand
how it is that you should not have received
Mr. Chester's letter of 26th Oct. directed (I believe)
to your town address. The letter which you
mention having received from him is evidently
of a later date. Mr. Chester communicated to me

One shilling a day extra at Rushmore would
I think be a fair arrangement.

Should you find this suitable and Mr. Chester's
letter satisfactory I will be ready to join you
whenever you may require me with a days
notice.

Failing ~~my~~ Mr. Chester (i.e. should
my letter fail to catch him in Rome) my
old house-mate at Harrow Mr. A. J. Watson
would I am sure be happy to testify to my
character integrity and general capability

Yours sincerely
George Graham
