St. George Terrace,  
S.W.

Dear Sir,

I am in receipt of your letter of yesterday. The interest of your work outweighs in my eyes the question of an extra shilling a day. I therefore accept your terms viz. 30/- a week and house-room while at Rushmore; when elsewhere the same sum with an additional 2/- per day. Mr. Chester will, I presume, write to you from Rome. You may perhaps have heard from him already. Believe me, dear Sir,
