Dear Sir,

Having on Saturday 17th despatched to you a letter enclosing the three plates which you sent to me, some drawings of my own, a note from Mr. Greville Chester and a letter from Mr. Watson and not having up to date received any answer from you I now write again to beg that you will

kindly let me know your decision

Yours truly

Dear Sir

I took a little time to consider whether your drawings were sufficient for my work. I have no doubt that in time you would ~~take some time and I have~~ get into it, but as it would take some time, and I have already one draughtsman under instruction for my particular work, I fear that I shall not be able to come to any arrangement with you. I am sorry that you should have been put

to the trouble of doing the drawings
for me. I return Mr. Cheston's
letter which appears quite
satisfactory.

Yours obediently
