Dear Sir,

The Committee are anxious to provide, so far as possible, for the comfort of the visitors to the forthcoming Congress, and for that purpose it is necessary they should be acquainted with arrangements already made. I shall therefore feel obliged if you will kindly inform me, at your earliest convenience, whether you have accepted any invitation to stay in Liverpool during the Congress week, and, if so, from whom, and for what date.

Yours faithfully,

Frank J. Leslie  
Joint Local Hon. Secretary.
