DORCHESTER.

Jan 13. 09

My dear General

I think it so kind
of you promising to give
us an Address at the
School of Art General
Meeting - I believe the
Committee wish to have it
on Monday Feb. 25 ^{next month} So
will you stop with us
& should you be able to
spare us a couple of nights

WOLF TON HOUSE
DORCHESTER.

I could drive you over
to Lerne the next day
if you want to go there
or anywhere else -

Yours very gratefully

A Banks.

I will write at once to the
Chairman to make
sure of the 25th ^{of February} & will
then write again to you.

The meeting is on
February not in
January -
