THE RED HOUSE.

ASCOT, BERKS.

My dear Pitt Rivers

I wrote to you on the 20th inst: about the proposed gift of my whole Fijian collection to Oxford, but have not heard from you again on the subject

Meanwhile, my own University, Cambridge, has accepted a gift of Fijian articles from Wth A^d Maudslay, and wishes me to add mine. - His collection, mine, and Baron von Hügel's, combined, would certainly make a very fine show of purely Fijian objects

I fancy you must know Anatole
von Hügel, the writer of the
enclosed letter, which please
read, - (if you can, for it is a
vile hand,) - and return to me.

With all good wishes for
the new Year, I remain

Yours faithfully

Arthur Gordon
