My dear General Pitt Rivers
Although unsuccessful
in the County Council
election I hope we may
manage to be elected
Aldermen. You may depend
upon my support. There
must be a preliminary
meeting before the first
Council meeting - to enable
many of us to be prepared
with the names of the
Aldermen we propose to
nominate. I hope with the
small majority there
will be sufficient votes
in the choice of one of the 19

11
falling upon you.

I am so unwell though
my unfortunate fall I
have been unable to
sit about - but I trust
another week will effect
recovery.

With our very kind regards
to Mrs Pitt Rivers

Yours

John T P
