Honoured Sir

Many in Shaftesbury and myself among the members were surprised and annoyed to find you were unsuccessful in the County Council Election. I recollect remembering the large amount of good you do in assisting labor in the neighbourhood & have been at some pains to ascertain the cause, and believe your opponents secured a victory by unfairly blaming you for the faults of your servants some of your agents had not paid the dues under them for four months at the date of the Election and it is now nearly five months and they are not paid still I trust Sir that you will pardon me for thus writing as I feel more than anxious that you should be thus maligned

Yours most Respectfully  
W. G. Whitehead
