DORSET.

My dear Sir.

May I ask if
you will kindly send
me the subⁿ of £20
which you are good
enough to give to the
North Dorset Bowdler
Association? Our
year ends in March.
We have held some
very successful meetings
during the year, and

I have reason to think
that our party is in
a much better position
than has been the case
since 1885.

I am now trying to get
the new elections in
the different parishes,
and when the new
Council meets in
April, I hope we may

have some important
matters to decide.

I may mention that
Registration has cost
us £170 this year, and
the meetings, literature, &
entail considerable expense
so that we greatly need
all the money we can
get.

Yours truly

H. Squercombe Bower

Dear Sir.

In reply to your
letter of the 12th inst. I beg
to say that not being a
party man I see no object
in subscribing to the north
west conservative association
at present. When the proper
time arrives I shall use

prompts

gradual

any means or influence
that I possess in the
direction that appears
to be expedient.

Yours truly

A. Pitt Rivers.
