**BERWICK ST JOHN,
SALISBURY.**

My dear General

You are quite wrong

in supposing I give

wishes or advice with

to make an unprovoked

Berwick St. John.
Salisbury.

Marriage. I have the Muldoon family
see her letters in answer to force their daughters
to Miss Muldoon and suit a wife
think them judicious & affectionate
and not in the least latter fine
calculated to encourage P. I missed the post last
night
