My dear General

I am sorry to hear

of the illness of your

son and I am

glad to hear that

you are recovering

from the illness

of which you have

been suffering

nomination & see what
the Council say to it.

I shall not be able to come
to the meeting on Tuesday

as I have a special
engagement elsewhere,
which perhaps will be
as well - as the

house bill & presidential
claims will be more
fully discussed.

I should like to see

Professor Thane put
on the Council - he is

doing some good work
in anatomical anthropology

I will write to Rudde
about him.

With kindest regards & best

wishes to you
to Mrs Pitt-Rivers &
your family

Yours ever

W. H. Flower
