Dear General Pitt Rivers

While shooting at
Barn Court last autumn
Lord Melbourne told me
of his great desire to open
a large Barn, standing by
his river and seemingly
of great interest - as
connected with the James
Supper & have intended

then and attacked

Windsor.

I then embark to
Canada, and now, on
my return, learn that
Lord Melbourne would
value much your advice
in the matter of opening
the Bazaar.

would you kindly let

me know if and when
you may be in town

and could spare me
five minutes to explain?

With best regards to

M^{rs} Pitt-Rivers

Yours truly
