Sir,

You asked me to
get a doll for you in
Icelandic Costume.

I have the doll, or
if you prefer a full
size old Costume
complete, you can

take which you
like. I shall be here
for some little time
but should like to
know when you would
be likely to come here
& look at the costumes,
as I go home Saturdays
till Tuesdays, as a rule,

and sometimes, am
not here all day.

I remain,
yours faithfully,
Sigrid E. Magnusson.
