Dear Genl. Pitt Rivers

The library of the Soc.
of Antiquaries is closed
all September, & the staff
then take holiday. As soon
as we reopen in October
I will try & make the
memorial move, but I
am afraid with the utmost
speed we shant get it
done before November is
well advanced.

I trust you are now
getting strong & about
again, & that you will
soon be able to come
& see what we are doing.
We have found an enclo-
sure containing two temples
& are uncovering a large
house with tessellated &
mosaic floors & corridors.
This bad weather has come
most inopportunately, just as
we were getting into full
swing.

Yours very truly
W. H. S. John Hope
