SOC. ANTIQ. LOND.

BURLINGTON HOUSE, PICCADILLY. W.

8 November 1890

Dear Genl. Pitt Rivers

The enclosed has been ordered to be engrossed on vellum, & sent round to be signed.

Meanwhile, in order that such a grant may possibly be included in the Estimates, the President will forward a copy to Mr Smith, telling him the original is in course of

signature, & asking him to
come here to see the
models you have already
made.

I hope this course
will meet with your
approval

Yours very truly
W. H. S. John Hope
