Dear Genl Pitt Rivers

I am sorry you could not come & hear our paper. We had two very successful meetings, & we have now inaugurated what promises to be an equally successful exhibition which I hope you will come & see before it closes. We particularly wish to hear of criticisms of our model & plans,

all amateur work. You shall see a proof of your paper as soon as it is in type.

Will you kindly let me have as soon as possible the abstract of your paper for our Proceedings.

Wishing you a Happy New Year

Believe me
Yours very truly
W. H. John Hope
