

39 Belgrave Mews East
S. W.

(2678)

20th July 189^e

To General Pitt Rivers,

Sir

I have a very old
Sketch or print, I don't know
which, of (what I was given
to understand) of an Old
Lord Rivers & Brother or
Friend, with the Dog Keeper
& Greyhound, they were
turn^d out of the House
when the alterations were
made between 1850 & 1860

Knowing that you are
an admirer of Old
relies I take the liberty
to offer the Picture to
you if you will
accept it, I did not
like to send it to you
in case such an Old
thing should prove an
insult. but if you
care to accept it,

(Old as it is)

I shall be very pleased to
send it to you at once

I am Sir,

Yours Obediently
Wm. Grimsdell.
