

L679

July 26. 1891

Dear Sir,

May I remind you of your kind promise to present to the Cambridge Museum a set of your models of early Crosses?

Mr St. John Hope suggests that possibly you might be willing to allow him to send direct to Cambridge the set which is now at Burlington House.

I am,

yours very faithfully,  
J. Hen. Middleton  
Director of the Fitzwilliam  
Museum
