nr Bridport, Dorset.

Sept 7. 91

Dear General Pitt Rivers

In an iron manger at
Bridport is a brass cooking
pot on 3 legs with feet,
with a long handle (cast on it
I believe) on the handle a
legend "Shall I please you"
or similar words.

The pot is about 7 inches diameter
about 6 " deep
on legs about 4 " high
handle about 12 " long
