Dear General Pitt Rivers

I am very glad to hear
that you may possibly be present
at the opening of the Barrrow;
but in consequence of the lateness
of the harvest, this can not be
done during this month - & I
would fix the day at any time
which might suit you, either the
first or second week in October.

I presume that you would feel
most interest & that your advice
to us would be of the most
value at the close of our work -
& that we should prepare for you
by cutting a trench almost through
the Centre of the Barrrow before
your arrival -

If so Thursday Oct 8th would
be a good time for your visit &
if you wd come to us on the 7th or
8th it would give us much
pleasure to receive you here. We

are 2 miles from the Willetton
Station on the Murchison Line from
Perth and would send to meet you -

I am

Dear General Pitt Rivers

Yours faithfully

Alexander Selman Hood
