inform me whether you  
consider him to be honest

Keeper.

Rushmore,  
Salisbury.

Sept. 18th, 1891

Sir,

G. Witherington has been under keeper here for some time. I believe him to be sober, and so far as I know, honest.

I sent away 3 keepers including him, because in a excellent partridge country, there were very few birds and those old ones.

Yours &c.

A. Pitt Rivers.

Mr. J. F. Roper.
