Dear Sir,

I heard from my  
brother at Dinton  
last week. He writes  
"the chief difficulty  
in selling the coppices  
that Genl Pitt Rivers  
desires to buy, arises

from its being included I wish his reply  
in a mortgage, so that could have been made  
it cannot be sold with favorable.

out the consent of the  
Mortgagees - even if  
they raise no objection,  
to get their consent  
would probably cost  
as much as the property  
is worth."

Believe me

Yrs very sincerely

Leticia Ward.
