KENSINGTON. W.

Sept- 20 91.

Dear General Pitt-Rivers,

as I have finished
my work in London
I write to let you
know that I leave
Town on Tuesday morning
next - but that my
house & studio will
be left in charge of
a servant who will
have instructions to

let you in to see
Mrs Groves' portrait
which remains in my
studio - should you
call.

Perhaps you would
like the picture sent
direct to Rushmore,
in which case - if you
will send me a line
my frame maker shall
despatch it.

Letters will be immediately

forwarded to me from
here after I leave.

I am sorry not
to have had the
pleasure of seeing
you here & of
hearing your opinion
of the portrait - which
I trust may be
favourable -

Believe me to be

Yours very truly
Thos. Beaumont
