To Genl Pitt Rivers

Sir We made the frame to  
protect of Countess Lyones, and  
I am today in receipt of letter from  
Mr Beaumont to pack same &  
send to Rushmore.

It will require a large case for  
making which I have given my  
foreman instructions, but being  
from home, as I always prefer  
if it can be done, to see the things

myself. I have no time in writing  
to ask if you are in any hurry,  
or if it could await my return  
the town about end of next  
week? Your reply to this  
address will much oblige

Sir  
Yours faithfully  
H. Ellis
