Dear Sir

I am sorry to trouble you.
Will you kindly return me my draw-
ings & plans of the excavations in
Brewster's Marsh. I am going to
spend next week in continuing
them, & would like to fill in the
plans for what is further dis-
covered.

Unfortunately I did not make a
copy before sending, & as I
have not heard from you for
some time, be from home,

Very truly

S. Barry Gould
