Sir,

I must apologize for the sudden delay which has unfortunately taken place in answer to your letter, for which I am very much obliged to you for, with reference to the ancient antique Arms Crest and Motto of your noble ancestor, the reason being a very sad and sudden death that has taken place in our family which called me away from home, I having had to attend the inquest and have had a deal of very urgent business to attend to for the Widow and children, that being the reason of the delay.

I have, however, this day very carefully
packed and sent on to you, per Pickford & Co.
the ancient antique Arms Crest and Motto
of your noble ancestor of whom I have
already given you a full detailed acct.
of, and being in very straightened Circumstances
may I ask you for an early reply as
I am greatly in want of a little money

I have the honor to be, Sir,

Your most Obedt. Servant
Ernest Day
