Dear General Pitt Rivers

I hope you will
excuse of this post
a circular letter
& memo which we
are sending to all
the tenants with whom
we have relations &
which may perhaps

interest you as a
Landowner in the
Valley of Blackburn
which may be well
partly affected by
this exceptional Rainfall ~~see~~ in Becham

I have been unfortunate
of late in not meeting
you in my frequent
travels - I wished to

ask you if you knew the
interests and value of a
British or the numerous
stone of a Roman
Centurion of the III
Century now preserved
in Becham Church - It is splendid,
& he represents a
type of which one
can see hundreds in
the Roman
