Dear General Pitt Rivers.

I hope that the current  
number of your magazine will be out  
before long - and I am getting  
together the material for the  
next number - I should be  
glad therefore if you could  
be so good to have your notes on  
the Wansdyke excavations soon.

I saw in N. Devon the other  
day a sort of vessel which  
was new to me - a wooden  
pitcher - made of staves.

rather a good looking  
sort of thing - they  
are commonly used  
on the borders of Devon.

It struck me that you might  
find it  
horribly like one in your  
Museum. <sup>if you have not one already.</sup> I don't believe  
it is worth  
4 or 5 shillings -

Yours faithfully  
Ed. H. Woodland.
