Dear Sir,

I have the honor
to acknowledge the receipt of
your letter with the photos

you to see the state of the
specimens I think you
would have liked them

Perhaps you would like
to make me an offer - ?

I have the Chinese Sikkim
somewhere but don't
know where to place my
hands on it - I will
however search at once.

I called at your town
residence just before I
received your late answer
and the servant said
you would be in town
this next week -

If you could give
me a call (& let me know
when) I would be at
Wardour St or I will
call at your residence

if you will permit me to
bring the Sikkim if I can
find it & one or two other
things. - I have no
set address for a week or
two -

I remain, Sir,

Your Obedient Servant,

Wright - Bruce

A Post card to 166 Wardour St
will always find me.
