SOCIETY OF ARTS,  
JOHN STREET, ADELPHI,  
LONDON. W. C.

12 November 1891.

To General W. Pitt Rivers.

Rushmore

Salisbury.

Dear Sir

I gather from your letter of the 7<sup>th</sup> inst. that I may arrange a date later on in the year for a paper on ~~Typographical~~ <sup>Typographical</sup> Museums. Our session continues to the end of May. The subject is a very interesting & important

one and I should be sorry if the Society failed to get the paper this session.

Yours truly,

H. J. Wood

Secretary

Rushmore, Salisbury.

Nov. 21, 1891.

Dear Sir,

I have been unable to reply to your letter of the 12th inst. sooner. as my arrangements have been uncertain, and I was unable to say whether I should be in England up to the end of the year. I find now that I shall not probably go abroad until January, and I could therefore give a lecture any time towards the latter end of December. Otherwise, I should have to put it off till the latter part of May.

I think the best title of my lecture would be on Typological Museums, as exemplified by the Pitt Rivers Museum at Oxford, *+ his Provincial Museum at Wareham, Dorset.*

Yours truly,

A. Pitt Rivers.

Sir H. Trueman Wood.

P.S. I should be glad to know early what time you have settled.
