Dear General Pitt Rivers.

Thanks for the waundry.  
Paper received today - You  
shall receive proof of it for  
correction as soon as it is in  
print - which may not be  
for some little while yet -

I have written to a friend in  
N. Devon asking him to procure

and send you one of the  
wooden Pitchers when he has  
an opportunity - I will let  
you know the cost thereof -

We have no account of  
King John's House in our  
Magazine - and as only a  
limited number of <sup>our</sup> members  
have access to your book  
upon it I think it is very  
desirable that an account  
should appear in it - if possible

In the next number, which will  
include the account Report of our  
winter meeting & excursions -

Could you find time to write  
us <sup>a short</sup> ~~an~~ account of it, giving  
the most important points in its  
history, & restoration & present  
use -

I should be very grateful if you  
could do this - Any time within  
the next three months would  
do very well -

I am  
faithfully  
Ed. H. Goddard.
