Dear Sir

I am much obliged
for your telegram and will
announce the paper for the
16th Decem^{ber}. I ~~was~~ propose
to invite Prof. Flower to take
the Chair, but will be glad
to learn if this is agreeable
to you. Perhaps you might

also suggest the names of
other gentlemen whom you
might like asked, in the
event of Prof. Flower being
unable to preside. I should
be glad to have the M.S.
of the paper by Saturday the
12th Dec. in order that it may
be put into type, and a
proof sent for your correction,
before the date of the Meeting.

Yours faithfully,
