JOHN STREET, ADELPHI,  
LONDON. W.C.

8<sup>th</sup> December 1891

Dear General Pitt-Rivers

As the time is now short  
for the preparation of any blocks in  
illustration of your paper I shall  
be glad if you can let me know  
your decision as to such illustration.  
I understand from Mr. Wheatley  
that you would consider us to the  
best treatment and let me know.  
I shall also be obliged if you  
can let me have the MS. of

your paper in order that it  
may be put into print before  
the date of the meeting.

I am,

Yours faithfully,

St. J. Wood

Secretary
