

in the history and antiquities
of Wiltshire.

With the expression of
my earnest hope that you
are now in the enjoyment
of your wonted health,

I am, dear Sir,

Yours very faithfully,

Daniel Hiswell:

You will be pleased to hear
that I have had the recent
pleasure of restoring to the
parish chest (Seagry) a valuable
volume of original Churchwardens
Accounts dating from circa
1670.

17, Hilldrop Crescent,
Camden Road.

London. W. Feb: 1, 1892.

Dear Sir,

I should be extremely pleased
to learn that you have wholly
recovered from your recent
indisposition. I trust that, the
sickness past, you will now render
me invaluable assistance in the
matter of the restoration to future
safe keeping, of the interesting
and valuable MS. Transcript of
the Seagry Registers. (1611-1812),
now in my possession.

I believe you will agree
with me in the opinion that,
prior to finding a place in
a public library in co. Wilts,
the Register should be printed
in the Transactions of the
Wiltshire Archaeological Society,
or other county periodical
of permanent & enduring
interest. That you may be
in a position to estimate
its value, I will send
the volume for yr. examination
I am fully aware that
you are deeply interested
