Dear General Pitt Rivers,

The Picture arrived quite safely & is now in my studio. With regard to the various points you mention - I agree they may be much improved & I will do my best to put them right before the sending in day of the Academy - I presume

presume you do not
mind my showing
the picture along with
my other work at an
at home I am giving
on the 19th March.

If you are in Town
& have no better engagement
it would give us
very great pleasure if

You would call in
& see my other work.

Believe me to be

Yours very truly
Ed. S. Beaumont.
